Dear Child Care Provider,

This letter is in regards to the 07/29/14 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1) Conditions in the home are safe, sanitary, and free of hazards.

As we discussed you need to finish the railing on the 3<sup>rd</sup> floor leading to the toy room and put locks on laundry room cupboards.

☐ 110.5(1)g Safety barriers are at stairways and doors as needed.

As discussed, you need to complete hand railing on the 3<sup>rd</sup> floor leading to the toy room and you have, but a reminder to be sure to have safety barriers in place when area is in use.

☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and [www.iowasmokefreeair.gov](http://www.iowasmokefreeair.gov).

You need a no smoking sign posted on every entrance of the home.

110.5(2)c An individual file is maintained for each staff assistant and contains:

☐ 110.5(2)c Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years.

### 110.5(8) Children's Files

110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.

Make sure all statements of health have been signed by a physician. Per your request, I have included the following physical forms (1) Iowa School-Age (2) Child and Infant, Toddler, Preschool age- Child Health Exam Form.

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health.

Make sure you have on all your child care children and they are signed.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

**I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.**
